

Champion

WWF (World Wide Fund for Nature)

WWF South Africa uses best science to effectively conserve biodiversity and wildlife, and to protect our natural environments, constantly aware that what we do impacts upon, and requires, people to inspire that change that will benefit all of us and the planet we depend on.

WWF Conservation Champions are exemplary producers who have earned additional recognition and status for their excellent track record of environmental responsibility. They can be regarded as leaders in the industry with regards to the conservation of biodiversity, and are able to demonstrate tangible actions and evidence of their commitment.

This certificate is awarded to

Boschendal

.....
in recognition of their commitment to conserve
the biodiversity of the Cape Floral Kingdom for future generations.

Date Issued: November 2015
